cold pressok

Due to air pollution and the chemicals in the food and water, the level of "toxins" in the body increases, so we have to help our body release them from time to time - and that's when Cold Pressok cleaning program comes in! Cold Pressok cleaning program is the first nutrition program of 100% raw and organic cold-pressed fruit and vegetable juices that will replace your daily meals.

BELGRADE

Cold Pressok detox programs are designed to rejuvenate and alkalize the body and provide our bodies with a large amount of vitamins, minerals and enzymes. There are several levels of detox programs, and the length of the program depends on what we want to achieve. The three-day program will begin the process of toxin clearance and blood circulation. Five-day program can begin the process of strengthening the immune system, while ten day program can actually prevent health problems.

DISCOUNT WITH TRIZMA BENEFIT CARD:

20% discount on the total price of the selected detox package. The discount applies to all future orders according to the detox programs presented on the official Cold Pressok website. Discount does not apply to the purchase of juices in retail stores.

A discount can be obtained by using the Trizma benefit card during online purchase or order by the phone (please show your benefit card to a supplier while receiving the package).
